Your Fire Service
have **your** say...

www.essex-fire.gov.uk/irmp

Essex County Fire and Rescue Service has launched a public consultation – a ten minute survey asking the public of Essex about how our future priorities are delivered.

While our primary focus will always be to prevent emergencies and protect our most vulnerable residents, this consultation is a chance to tell us what matters to you and what approach you think we should take.

The responses we get from this consultation will enable us to develop an Integrated Risk Management Plan (IRMP) in the New Year.

An IRMP is a plan that assesses the risks we face and sets out how we plan to lessen them to ensure we deliver the right resources at the right time, in the right place.

To have your say, visit: www.essex-fire.gov.uk/irmp

The consultation will close at 5pm on Friday 13 December 2019.

If you have any questions or comments please email IRMP@essex-fire.gov.uk

Thank you for your support.

Message from the District Councillor

The district council over the past year has gone through a major transformation and the first phase of this has just been completed. As part of the transformation of services, you can now access services online.

To register or access go to: Maldon.gov.uk and click on the mymaldon button at the top right hand corner of the page.

The Council is also seeking your views so that we can shape the future delivery of services.

A survey has been published for residents to complete.

The survey will be available from 7 October 2019 to 29 November 2019 online at www.maldon.gov.uk/yourviews or you can access the survey at the Council offices where staff will be available to help complete the survey online.

The results of the survey will be analysed and reported to Councillors as part of performance reporting and District insight. If you have the time to complete the survey it will enable the council to meet your needs.

I look forward to meeting more residents in the next 12 months, and to help in anyway that I can.

I would like to wish everyone a Merry Christmas and Happy New Year.

Kind regards

Councillor Richard Siddall

Year 2 - Butterflies

We have been learning about butterflies and that the lifecycle goes round and round. We released some butterflies. They were painted ladies. We saw them change from a caterpillar to butterflies. It was very cool seeing it. *By Natasha 2P*

Year 1 - Toy Museum

Year 1 enjoyed a wonderful day with a visit from the Toy Museum. The children were given the opportunity to learn about and explore toys from the past. In the afternoon the children made some of the toys that were investigated in the morning. Both children and adults had an enjoyable day. Thank you to all the adult helpers that gave up their time to help out. What a great way to kick start our new topic!

Cross Country

Our first sporting event of the year was on the 8th October, when our cross country competitors arrived at St Francis Primary School Field in Maldon. The afternoon started in warm sunshine but after the Year 3 and 4 groups raced, the black clouds loomed overhead. It took us by surprise, as many of us came unprepared for what was to come.

The year 5 and 6 race was shortened because of the heavy rain but the children's resilience came into force. Even the spectators were in good spirits although soaked through! The certificates did not survive – of which we received many, but we were able to reprint them! Three children achieved 1st place, five children 2nd place and 3rd place was awarded to two children! They all deserved a medal for their determination and high spirit, especially considering the awful weather!

Year 6 Football Tournament

Shrub End Sports Ground in Colchester was the destination for the Year 6 Football Tournament. We won four matches and drew one, which means we are through to the finals on in November where 8 teams will compete for the trophy.

Tag Rugby Tournament

Maldon Rugby Club hosted a whole day of tag rugby for the local schools. During the morning Year 3 and 4 played and in the afternoon it was the turn of Year 5 and 6. It was an enjoyable day for all involved with Year 5/6 taking joint second place. Thank you to Stuart Pearson (our rugby coach) for organising the event

Remembrance Day Service

The Remembrance Service presided over by Reverend Hilary le Sève at the War Memorial, had a great turnout to honour those who have fought for our country. Residents from Little Braxted, Great Braxted, Wickham Bishops and Great Totham joined together in a tremendous show of respect. Services on 10th November all went well, and our local Memorial was attended by the 4 parishes plus scouts, guides, and a bugle player.

One for the Occasional Cyclist (Great Braxted circular route via Blackwater trail)

As an occasional cyclist here is a route I can say I completed myself, the route is approximately 9.2 Miles, mostly downhill on road the first leg, although this part of the Blackwater Trail could get quite muddy in parts, also there are some inclines on the way back, and one tough hill, where I had to dismount and walk for a short distance.

Start at The Old Ducane, Great Braxted proceed toward **Wickham Bishops** via **Tiptree Rd**, until you reach a sharp bend in the road, and then turn right into **Braxted Rd**, follow the road passing another fork in the road where you stay left and follow the road down until you reach the junction of **Tiptree Rd** with **The War Memorial** on your left, turn tight at this junction and follow **Tiptree Rd** down until you reach the cross Roads at **Snow corner**.

Proceed straight over at the cross roads with **Wickham Bishops Village Hall** on your right, and follow **Church Road** as far as you can passing the beautiful **St Bartholomews Church** on your left.

Shortly after passing the church you will turn sharp left into **Station rd**, follow this road all the way down until you reach the junction with **Langford Rd**, turn left at the junction, follow the road for a short distance and you will see a gate on the right with a small sign post for **St Peters**, turn into this bridleway, and after going around the gate follow the path until you reach the **old railway bridge**, after crossing the bridge turn left and follow the bridleway which will lead you onto the **Blackwater Trail**.

Follow the **Blackwater trail** until it abruptly ends at the **Langford Rd**, turn left here and follow **Langford Rd** back to the junction with **Station Rd** which should be signposted **Wickham Bishops**, turn right into **Station Rd** watching for traffic on this sharp bend.

Retrace your route back **up, up Station Rd & Church Rd**, perhaps dismounting on the steeper part, and maybe stopping for a well earned water break at **St Bartholomews Church**.

After either stopping at or passing **St Bartholomews Church**, follow **Church Rd** back up past **Wickham Bishops Village Hall**, until you once again reach the cross roads at **Snow corner**, cross straight over and follow **Tiptree Rd**, until you see **Carters Lane** on your left, turn up **Carters Lane** and follow this until you reach the **T junction**, turn left here and follow the road until you reach **The Green Man pub**, where you could stop off for a tempting drink or continue on.

After your potential indecision at **The Green Man** turn right up **Braxted Rd** and retrace your route via this road and **Tiptree Rd** back to **Great Braxted** and the **finishing line**.

Tiptree jam factory stars in 'Made in Britain' TV show

The firm, which has been going for more than 130 years, makes 60 million jars of jam and preserves a year and uses a unique tabletop growing system for strawberries to save pickers backs and joints.

Chris Newenham, joint Managing Director of Wilkin & Sons, said: "We grow 20 different types of fruit on our farm."

The jam factory has seen Tiptree grow up around it and it employs many local workers. It has also held the Royal Warrant since 1911, awarded by George V. Tiptree products can be found in more than 70 countries, on luxury cruise liners, top hotels and on top airlines.
