ST NICHOLAS, CHURCH LITTLE BRAXTED

(In the Ecclesiastical Parish of Wickham Bishops with Little Braxted)

We were welcomed a Family History Group from Little Baddow for a short visit and talk last month and welcomed their reaction and comments on the history and decorations!

Two things to note with reference to our services at St Nicholas: the 9.00am Communion Service continues on the 3rd Sunday of each month [with some exceptions] and the 10.15 midweek service at St Mary's Chapel at Little Braxted Place resumes this month. In addition there will be a coffee/tea and chat time after the Sunday service at St Nicholas from this month onwards.

Please do read the Update notes on the 900th Anniversary year, particularly one or two changes; we now await details of the Annual Choral Evensong and of course we no longer will have the presence of Bishop Stephen at the September Service as he will have moved on to be Archbishop of York.

ALL SAINTS GREAT BRAXTED CHURCH NEWS MARCH 2020

March already and spring is on the way! Spring half-term has been and gone. The snow drops in the churchyard are in great profusion and the daffodils are not far behind. We are now in LENT leading up to the Holy Week and Easter, time to consider giving or giving up something?

This year the Lent appeal in the Diocese will be for donations to help the people of Marsabit in northern Kenya where many families live below the poverty line of less than £25 per month.

Bishop Stephen of Chelmsford will be leaving our Diocese after Easter after only 9 short years but he is to become the Archbishop of York, the second most eminent bishopric in The Church of England. Our congratulations and best wishes to him.

Many thanks to Mike Puttick and his helpers in keeping the churchyard tidy and beautiful.

Church services are as follows:

SUNDAY	1st March	Family Service at 11.15 am
SUNDAY	8th March	Communion at 11.15 am
SUNDAY	15th March	MATINS (Morning Service) at 11.15 am

Message from the District Councillor

You may have read about the publicity about the council's proposals, for the wharf charges at the Hythe for the barge operators and owners. To me barges and Maldon are completely linked. If you think of Maldon, you think barges. They are a crucial part of the town's history and heritage. They are a tremendous tourist attraction and bring visitors and resources to the district.

When the item was discussed at the Strategy and Resources committee, I ensured that a reasoned argument was put and that we needed to support the barges and their owners. This then was created as a motion, where we are only increasing the fees by 10% for this year only. We will then meet with the barge owners, to discuss and agree, how we work with them on the charges in future years. We cannot lose our unique maritime heritage and what they mean to Maldon.

As a result of the findings from the Great Totham Neighbourhood plan, the issues of getting a bus to Broomfield Hospital, were raised. With the help of the neighbourhood plan team, who did some great investigation, we identified the Dengie Dart bus service. This is a combination of bus and taxi service and operates across the south of the district, in getting people to the hospital. We have explored it further and there looks like there is the potential to introduce something similar in the north of the district. This would be extremely useful in places like Braxted, Little Totham and Tolleshunt Major, where there are no bus services at all.

We need to ensure that the most rural parts of the north of district have good infrastructure.

The next District Council Surgery will be held on Saturday 14th March at 11am, at the Forget Me Not Tea Room, Tom's Farm Shop.

Councillor Richard Siddall

READER'S LETTER

I note that recently there has been an unnecessary increase in Heavy Goods vehicle traffic, that appear to have lost their way on the way to their collection or drop off point, which has included on several occasions, lorries using the junction at the village sign in Great Braxted as a turnaround point, which can be dangerous to other road users, and result in damage to the green and posts including the newly re-sited postbox.

I feel that the positioning of local direction signs (at least on the Braxted Park Road), directing the drivers to local depots, would be the easiest solution to reduce the risk imposed by these heavy goods vehicles entering the villages main residential area.

ANNUAL VILLAGE CLEANUP

The annual village clean up (collecting all types of rubbish from the roads, verges and park, etc) will take place on:-

Saturday 14th March 2020

It will start at about at 10 am – please meet at the Pavilion. The more the merrier [and easier!] Many hands make light work! Refreshments will be served at the Pavilion from about 11 am for all the volunteers. Bags and maybe litter pickers will be provided but it is a good idea to wear boots and strong gloves.

NEWS RELEASE

MALDON DISTRICT COUNCIL, Princes Road, Maldon Essex CM9 5DL

Maldon Named 5th Best Place to Live in the UK

The 2020 Halifax Quality of Life rankings reveal that Maldon District residents enjoy one of the best qualities of life in the UK.

The annual Halifax Quality of Life research looks at local authorities across England, Scotland and Wales, and takes into consideration 26 different factors that homebuyers may consider when choosing a place to live. These include local performance across key indicators covering: the labour market, the housing market, the environment, education, health, and personal well-being.

In addition, for the first time, the research also takes into account how important the survey factors are to people looking to find the perfect property, with affordability, safety, and access to parks and green spaces all proving most essential according to UK adults.

The Braxted's Neighbourhood Watch

Hello Neighbours

I receive the weekly crime update for our area and whilst I have nothing to report for our villages there is a notable trend for Ford Kuga and Fiat 500 vehicles being stolen around the county. If you have one of these please consider fitting a substantial steering lock and/or a wheelclamp.

On many occasions vehicles are broken into and handbags or satnavs are being stolen. Worth taking them inside when you lock the car.

There was a theft of tools and a mower from the fishing lake off Kelvedon Road in Little Braxted but nothing was seen. Dogs nearby were barking at around 03:45 on Sunday the 9th of February so this is the likely time they were on the site but out of view.

A timely reminder that thieves are targeting the area.

I have lots of SelectaDNA property marking kits that are available at £15 provided by our District Neighbourhood Watch. Please let me know if you want one.

Keep 'em peeled!

Mandy

Maldon District Council – E Petition – Increase in charges for mooring barges and parking cars on Hythe Quay

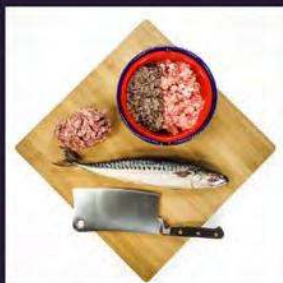

The Thames Sailing Barge Trust and other barge Operators on Hythe Quay at Maldon are facing a huge increase in mooring and parking charges from Maldon District Council which all are fighting. However the council is not looking at the wider issues relating to what it proposes.

The Thames Sailing Barge Trust is unable to afford a 94% rise in charges and neither can the other operators.

The Maldon & Heybridge Heritage Harbour Working Group, on which the barge operators have a voice, has set up an e-petition on the Maldon District Council website. The link is below. Could we ask you to click on the link and register and then support the statement that has been issued.

No to North Essex Garden Communities

Held recently at the Community stadium in Colchester, the long awaited Examination by the Inspector took place in mid - January.

The seven days of the second Examination in Public of the Section 1 North Essex Garden Communities Plan are completed. The Inspector was adept in his handling of the examination, with persistent questioning of participants and an extraordinary knowledge of the topics under discussion.

CAUSE, as previously, prepared statements and participated in all hearings, representing ourselves as far as possible. We also worked closely with other like minded organizations and we were extremely well supported by a truly superb set of experts. Our team included a Barrister, Planning consultant, Air quality expert, Sustainability appraisal and Transport consultants.

CAUSE threw everything at this examination because of the very technical nature of the evidence. The NEGC Ltd attended, this time, unlike in 2018.

At the close of proceedings, Inspector Clews told the attendees that he will be writing within the next few weeks to announce his likely verdict. He will not be asking for any substantial new evidence before making his decision.

There are three potential outcomes:-

1. That he finds the Plan is sound. If so, there would be a further six weeks' public consultation on the final Plan.
2. That the plan can be made sound if minor modifications are **made**.
3. That the Plan is unsound and may not be adopted.

CAUSE will continue to campaign against the implementation of the three proposed North Essex Garden Communities. This comes at a cost and any contributions to cover our expenses are welcomed.

If you would like to see how to contribute or find out more about CAUSE and what we are doing, including more information about the examination; please go to our website. www.cause4livingessex.com/about-cause/cause-papers-and-evidence
